Mukesh Seervi
Web Developer

An independent, self-motivated graduate and Adept multitasker capable of bringing simultaneous web page creation and repair projects to completion with full accuracy and efficiency.

SUMMRY

I am a responsible and excited engineer with prior experience in **Web Development** with more then 100 projects. The previous professional experiences have provided me with hands-on knowledge with HTML, CSS, WordPress, Bootstrap and Figma-UI design tools. I'm always looking for new challenges and possibilities to advance in my profession. My ambition is to land a decent job with a company where I can put my abilities and experience to good use.

WORK EXPERIENCE

- **Emblix Solution**

10/2023 - Present
I've been responsible for creating and maintaining dynamic websites, utilizing WordPress's platform to deliver engaging user experiences. My role involved collaborating with design and marketing teams to implement custom solutions and optimize site performance for clients' needs.

- **INTERSHIP at DIGITALWIKIS Pvt. Ltd.**

08/2022 - 11/2022
Front End UI & Web Developer Internship at Digital Wikis Pvt Ltd, where I gained practical exposure to HTML, CSS, and Figma designing tools, enabling me to design and develop user-friendly web interfaces.

- **PRIXARO**

08/2021 – 0 8 / 2022
Designed and developed a user friendly website using HTML, CSS, Bootstrap and WordPress. Fixed bugs from existing website and implement enhancements that improve functionality by 25%.
It was great opportunity to work with PRIXARO as Web Developer.
